Explanatory Note

(This is not part of the notification, but is intended to indicate its general purport.)

In Notification No. 96731/FSB/80/AD dated 26th December 1980 issued under Sub-section (1) of Section 35 of the Wild Life (Protection) Act 1972 (Central Act 53 of 1972) and published as S.R.O. No. 1288/80 in Kerala Gazette, dated 26th December, 1980, Government have declared their intention to constitute the area, situation and limits of which are specified in the schedule to that notification, as a National Park to be known as "Silent Valley National Park". In Notification No. 96731/FSB/80/AD. dated 30-1-1981 published as S.R.O. No. 148/81 in Kerala Gazette dated 4-2-1981, Government had excluded the submergible area falling on either side of the Kundipuzha river falling below the maximum water level contour of +979 metre above M.S.L. and the proposed dam site, colony site and other ancillary sites required for the Silent Valley Hydro-electric Project from the area specified under S.R.O. No. 1288/80. The proposal to construct a dam across Kundipuzha river for the Silent Valley Hydro-electric Project has since been dropped,

Therefore, Government in Notification No. 5462/FS.A3/82/AD dated 30-3-1984 have deleted the words and figures "excluding the submergible area falling on either side of the Kundipuzha river falling before the maximum water level contour of +979 metre above M.S.L. and the proposed dam site, colony site and other ancillary sites required for the Silent Valley Hydro-electric Project" from Notification No. 96731/FSB/80/AD. dated 30-1-1981. The necessity of declaring the Silent Valley area as a National Park was highlighted by the Government of India. Based on the suggestions made by the National Committee on Environmental Planning and Co-ordination, the Government of Kerala have enacted the Silent Valley Protected areas (Protection and Ecological Balance) Act 1979. In addition to the said measure, it is felt essential that for conserving the flora and fauna and prevent biotic interferences for ensuring ecological progression with ultimate motive of maintaining the Biomass in a state of biological equilibrium, it is necessary to constitute this area into a National Park called "Silent Valley National Park" The area mentioned in the schedule to this Notification is of adequate ecological, faunal, floral, geomorphological and zoological significance. In consideration of the above aspects and as Government have already made clear their intention to declare the said area as a National Park, they deem it necessary to issue the Notification under Sub-section 4 of Section 35 of the Wild Life (Protection) Act, 1972 and this Notification is intended to achieve the above object.
